

Papa Joe was launched in 2007 in Bodrum, jewel of the Turkish Aegean Sea and renowned worldwide for its boat-building traditions.

We invite you to be part of the exclusive Papa Joe experience ...

Our guests love Papa Joe for its beauty and comfort, for its style and spacious facilities,
for the feeling of well being it provides.

Papa Joe's perfect proportions and spacious layout allow you to live an unforgettable cruising experience, in a serene and relaxing atmosphere suffused with discrete luxury and elegance.

For *al fresco* fine dining, the aft deck offers a large table which accommodates up to 12 guests

and a chill-out area with inviting white cushions and deck-chairs.

Aft dining and cushioned settee

Breakfast set up

Wide walkways lead to the very spacious and flat fore deck, furnished with sun-beds and with a welcoming sitting area ideal for partying under the stars.

Sun deck

Fore settee

The interior lounge, accessible from both the aft and the fore decks, offers comfortable couch, a dining table, and TV which can be turned 360°, thus allowing viewing from the aft deck if desired.

Lounge

The lavish 50m² Master cabin has a large king sized bed, soft lighting, elegant features, practical cupboards and storage space.

Master cabin

Master cabin

Master cabin

a large en suite Master bathroom with design tiles and a spacious shower

Master bathroom

The four other Guest cabins all have a double bed, en suite bathroom and similar luxury features and elegant design.

Double cabin

One of the Guest cabins can be combined with the Master cabin and become a Family Suite.

Double cabin bathroom

Double cabin bathroom

Master and guest cabins are at the front of the yacht, separate from crew, engine and galley
